

## Frequently Asked Questions about CultureFest

### 1. What are the closest airports?

Cortez has an airport served by Boutique Air. This can be quite convenient, but Boutique Air is known to cancel flights with little notice. The closest airport with reliable service is the Durango/LaPlata Airport, about one hour 20 minutes from the Crow Canyon campus. Although taxis and Uber may be available, they can be quite pricey. The best suggestion is to rent a car. If you're willing to share transportation with another CultureFest participant, email your flight plans to Jeanne ([jbecker@crowcanyon.org](mailto:jbecker@crowcanyon.org)) and she will try to connect you with other guests arriving at the same time as you.

### 2. Are children invited to CultureFest?

Children of scholars sometimes attend CultureFest. However, there are no activities planned for children and alcohol is served each evening. It is probably best to find an alternative activity for your children.

### 3. Are pets allowed on the Crow Canyon campus?

Please leave your pets at home. Pets are not allowed on the campus.

### 4. What's the weather like in October?

It's generally sunny and in the 50's or 60's in October. However, there is no guarantee! Bring layers, as it can be quite chilly in the morning. A hat and sunglasses are recommended. The dress code for CultureFest is casual. Bring a wrap or coat to dinner. The tent is heated but some guests still find it to be cool.

### 5. Is parking available?

A limited amount of parking is available. If you're staying at the Holiday Inn Express, please use the shuttle which runs between the campus and the hotel. If you have need of a handicapped parking space, call the front desk (970-564-4380) and they will provide you with directions as to where to park.

### 6. Where is the Crow Canyon Archaeological Center located?

The campus is about three miles northwest of Cortez. Google Maps has an accurate location of the Center. From the intersection of Highway 491 and County Road L northwest of Cortez, turn west on Road L. Drive about 1 mile to Road 23 (watch for Crow Canyon sign), and turn left. In about 1 mile, Road 23 curves to the left and turns into Road K which becomes Crow Canyon's driveway. The address is 23390 Road K, Cortez, CO.
